

Be an AMCP *Visionary*

What is an AMCP Visionary? An AMCP Visionary is a dedicated member who believes so strongly in AMCP's vision and mission that he or she actively invites colleagues to join the organization.

Recruiting is Easy! AMCP has developed a number of tools that you can use to help you recruit members and share AMCP's Vision. Items include FAQ's, sample emails and letters and much more.

Go to www.amcp.org/visionary to learn more.

From the first referral, you will be recognized for your contributions.

- All members in good standing qualify to participate in the program.
- All referrals of Active and Associate members count toward your Visionary level.
