The Place to Earn CPE —

The Academy of Managed Care Pharmacy (AMCP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

As an accredited provider, AMCP strictly adheres to the ACPE Standards for Commercial Support and other relevant guidelines and standards to ensure the independence of continuing pharmacy education (CPE) activities. It is AMCP's intent that all CPE activities be independent, objective, balanced, evidence-based and free of any commercial bias.

Please be aware that all continuing pharmacy education credits must be claimed within 60 days of enrolling in an online activity.

Physicians and Nurses: There are programs that are eligible for Accreditation Council for Continuing Medical Education (ACCME) or American Nurses Credentialing Center (ANCC) credit—please check the “Target Audience” information listed for each activity.
