## California AMCP Day of Education

California AMCP is hosting a Day of Education specifically designed for Managed Care Pharmacy professionals in California. This program aims to provide essential continuing education tailored to the needs of pharmacists working in managed care environments. The course will offer updates on the latest pharmaceutical pipeline developments, California and federal legislative policies, advancing schizophrenia management strategies, and effective management strategies for the use of GLP-1s in weight loss and diabetes.

# 4.5

HOURS OF CONTINUING  
EDUCATION FOR  
PHARMACISTS

### Learning Objectives:

- Analyze trends in the Managed Care Pharmacy Landscape across the United States regarding the pipeline of pharmaceutical products.
- Evaluate trends in the Managed Care Pharmacy Landscape across the United States based on federal legislation.
- Assess trends in the Managed Care Pharmacy Landscape within California based on state legislation.
- Identify and explain the factors that drive decision-making for various managed care stakeholders to improve access and affordability of GLP-1 therapies.
- Identify and propose solutions to barriers to accessing care and treatment in minority communities from a managed care perspective.

### TIME AND DATE

Saturday, September 21, 2024  
8:00am-5:00pm

### LOCATION

USC Mann School of Pharmacy and  
Pharmaceutical Sciences  
1985 Zonal Avenue  
Los Angeles, CA 90089

### GOAL

The goal of this course is to equip California Managed Care Pharmacy professionals with the latest knowledge and skills necessary to navigate the evolving landscape of managed care. This includes understanding new pharmaceutical developments, legislative changes, and effective management strategies, with a focus on improving patient care, access, and affordability.

### TARGET AUDIENCE

This course is intended for pharmacists practicing in managed care settings in California, including those involved in policy-making, clinical management, and administration. It is also suitable for healthcare professionals interested in the latest trends and strategies in managed care pharmacy.

The University of Southern California Mann School of Pharmacy and Pharmaceutical Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This application-based activity was assigned Universal Activity Number 00007-0000-24-032-L03-P -P for 4.5 contact hours (0.45 CEUs) with an initial release date of September 21, 2024 and expiration date of September 21, 2027. This statement contains information provided to NABP from ACPE via CPE Monitor®. ACPE policy states paper and/or electronic statements of credit may no longer be distributed directly to learner's as proof of ACPE credit. The official record of credit may be located in the learner's profile in CPE Monitor®.
